The safety of our guests and team is always our top priority. We've always taken standards for hygiene and cleanliness very seriously, but even more so now, we are focused on taking additional steps to follow the latest sanitary recommendations on hygiene and cleaning – from ongoing staff training and cleaning product protocols to increased frequency of cleaning and disinfecting in public spaces.

We are responsible to maintain a safe environment for guests, employees, and our community, so we appreciate your understanding, honesty and cooperation with our new policies.

As always, stay safe, stay healthy, and we look forward to seeing you all and welcoming you back to our Lake Chelan paradise.

Sincerely,

The Campbell Family

GATHERING SAFELY

CLEANING & DISINFECTING

- All meeting spaces are thoroughly cleaned using approved commercial-grade products and disinfected using the CDC and WHO approved products between each use. Special attention is given to "high-touch" items including door knobs, chairs, tables, AV, etc.
- All linen, including skirting, is replaced and laundered after each use. The chemicals that we utilize not only clean, but also sanitize during the wash cycle with the aid of hot water.
- Hand sanitizer will be available at each meeting room entrance.
- All staff members wear single use disposable gloves and a mask and/or face shield.

SOCIAL DISTANCING

- Seating capacities and floor plans to be reviewed on an event by event basis to ensure appropriate physical distancing.
- In accordance with Washington State mandates, we ask all guests to wear masks. Guests may remove their masks to consume food or beverage when seated at their table.
- Signage will be posted outside of meetings and events reminding guests of appropriate physical distancing guidelines.

GATHERING SAFELY

FOOD & BEVERAGE SERVICE

- All meals will be individually plated and served, or boxed for grab and go.
- Sanitizing wipes will be available at beverage stations for guests to sanitize between each use.
- Condiments will be served in single use containers, unused condiments will be discarded.

Understanding the importance of flexibility, to responsibly direct meetings and events, Campbell's will partner with you to achieve objectives while addressing both health and environmental concerns. We will work hand-in-hand with you to detail your event objectives, providing flexible pricing, space options and contract terms, which deliver expert guidance and solutions. Ask us about our hybrid meeting technology!

OTHER GUIDELINES

- All team members undergo daily wellness checks that include daily infrared temperature scans and a series of Covid-19 related screening questions.
- We request all attendees to complete a Covid-19 wellness screening prior to arrival. Guests staying at Campbell's Resort or Midtowner Motel will complete this screening as a process of their lodging reservation. We ask the group to ensure those guests not lodging at Campbell's Resort or Midtowner Motel have completed a wellness screening, and are able to provide documentation upon request.
